THE SUPER HYBRID SYSTEM

600 horses. Zero compromises. Conquer any terrain with 600 horsepower of pure hybrid intensity. The J8 SHS combines turbocharged performance with intelligent electric power for 1,300 kilometres of total range.

A powerbank on wheels. 6.6 kW of built-in power can run laptops, tools, camping gear, and appliances. Whether you're working remotely or exploring off-grid, the J8 SHS powers more than just your drive.

Charged and ready in 20 Minutes.

The J8 SHS doesn't ask you to change your life for hybrid living. It adapts to yours. Fast charge to 80% in just 20 minutes - enough to fuel weekend plans before lunch

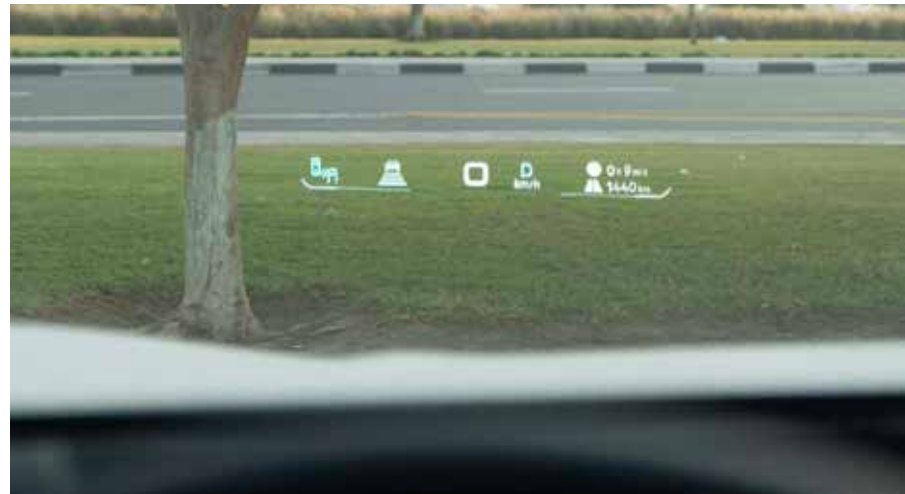

Seven modes. One mission: Total control.

EV for urban refinement. Sand, Mud, Snow, and Off-Road for terrain that demands respect. The CDC electromagnetic suspension transforms the J8 SHS from executive transport to weekend explorer in real-time.

Your command center - elevated.

Augmented reality head-up display projects vital information exactly where you need it. 14 SONY speakers deliver concert-hall acoustics, while 50W wireless charging keeps you powered and ready.

Indulge your senses.

Massage seating with heating and ventilation, 64-color ambient lighting, and a fragrance diffusion system transform the cabin into a personal sanctuary. Ultra-quiet glass and the panoramic sunroof flood your journey with light and serenity.
